SWEEPING CHANGES Coming to Berkeley?

BERKELEY CITY COUNCIL IS PROPOSING:

Drastic Changes to Zoning

Council members are listening to developers who focus on maximizing profits not the well-being of Berkeley neighborhoods.

More Market Rate Housing

The Middle Housing Ordinance does not require more affordable housing than our current zoning code.

A False Choice

We don't need to destroy Berkeley's neighborhoods to build the housing we need.

A TOWN HALL ON THE MIDDLE HOUSING ORDINANCE.
